Come along and find out about our fabulous school. It is a small country school, which has a nurturing environment with dedicated staff and friendly students.

At Boolarra Primary School, we value creativity, curiosity and innovation. We recognize the fundamental importance of reflective and adaptable thinking. We aim to empower students with the skills necessary to plan and navigate their own lifelong learning journey, as well as make purposeful contributions to their community.

We encourage your involvement with our school as we see your child's education as an active partnership between school and home.

For further enquiries, please contact the school on 5169 6471.

'Dedicated to Learning,
Connected to the Community'.
